Coordinated Efforts Lead to Arrest of Vehicle Theft Suspect

JASPER COUNTY, S.C. – On the night of Sunday, January 26, 2025, the Jasper County Sheriff's Office (JCSO) and the Hardeeville Police Department (HPD) worked together to apprehend a suspect involved in a vehicle theft in the Mead Road area.

A Jasper County resident reported their vehicle had been stolen and provided video evidence of the theft. Hardeeville Police Department officers located the stolen vehicle and made contact with it. Upon investigation, it was determined that the vehicle was stolen by David Fourie, who had an active arrest warrant issued by the Jasper County Sheriff's Office.

JCSO deputies arrived on the scene, took possession of Fourie, and facilitated the return of the vehicle to its rightful owner. Fourie was transported to the Jasper County Detention Center without incident and is being charged with Grand Larceny in connection with the theft.

Sheriff Chris Malphrus commended the seamless coordination between JCSO and HPD, stating, "This arrest is a testament to the strong partnership between our agencies. Through teamwork and rapid communication, we were able to ensure a quick resolution and return the stolen property to its owner."

The Jasper County Sheriff's Office remains committed to protecting the community and ensuring the swift apprehension of those who engage in criminal activity.
