Coordinated Effort Leads to Arrest of Four Burglary Suspects

RIDGELAND, S.C. — On Tuesday, January 7, 2025, a coordinated effort between the South Carolina Department of Natural Resources (SCDNR) and the Jasper County Sheriff's Office (JCSO) led to the arrest of four individuals involved in a burglary on West Frontage Road.

The suspects, two white males (both 41 years of age) and two white females (aged 39 and 52), were observed stealing copper wire and other miscellaneous scrap items from a building in the area. SCDNR officers conducted a traffic stop, with assistance from the Jasper County Sheriff's Office, which resulted in the successful apprehension of the individuals.

All four suspects have been charged with Burglary in the 2nd Degree and are currently being held at the Jasper County Detention Center awaiting bond hearings.

Sheriff Chris Malphrus acknowledged the impact of property crimes on communities, stating, "Theft and property crimes have affected many of our citizens and neighborhoods. At the Jasper County Sheriff's Office, we are dedicated to doing our best to protect our citizens and their property. This successful operation highlights our commitment to holding offenders accountable and preventing further harm to our community."
